Ofsted Visit

Attached to this newsletter is a copy of the letter received by school following the recent visit from OFSTED and HMI. We are pleased with the outcome of the inspection and the positive points it identified and we will continue to work on the areas identified which still need to be improved.

PE Kits

From September 2017 we have decided to adopt a whole school PE kit. This will consist of a pale blue t-shirt and black shorts (plain black jogging bottoms for KS2 if they prefer). Pale blue t-shirts with the school logo on can be ordered from the school office, but plain pale blue t-shirts are acceptable, which are available from Tesco and Asda.

School Uniform

School uniform orders for September are now being taken; orders need to be placed by 31st May 2017.
