‘Learning for Life’

Dear Parents / Carers,

## Year 5/6 Visitor

Thank you to Bill Miller (Recruitment Programme Manager for Doosan) for working with Year 5/6 this afternoon. They learnt

about a number of different jobs that are available which included a professional traveller and bed tester. We were also joined by Ashton who is a female engineer. The activities they were involved in will help them to set themselves high aspirations for the future. They also learnt to work as a team by building towers with Lego. Bill praised them for their communication skills and said he really enjoyed working with them. Well-done Year 5 and 6.

## Swimming

Well done to the children involved in swimming this week who have given maximum effort to these sessions. I know a number of children have been quite tired after so many sessions with a short period of time. This was not a school choice to block swimming lessons in this manner but is how the swimming pool now offers this service.

## Comic Relief Red Noses

Red Noses have been on sale since Monday. We only have 6 left in stock – thank you for all your support with this event. I look forward to seeing all the red noses worn to school on Friday 18<sup>th</sup> March. Thank you to the school council members who have helped to sell them – they could be future sales people in the making.

## Mother’s Day Gift Sale

The school council are hosting a Mother’s Day gift sale from the 14<sup>th</sup> – 18<sup>th</sup> March. All prices are £1 each. They will be on sale at first break for all classes. The gift will be wrapped so no ruining the surprise.

Have a fantastic weekend.

Mrs. J Beavis – Headteacher
