'Learning for Life'

Community Garden Project

We are very excited that the community garden project is due to get underway. Any plant donations of a sensory nature would be excellent especially if anyone is sorting their gardens and thinning out any plants such as lavender. If you are able to donate any plants please contact the school office.

We are hoping to post the progress of the gardens on both our school Facebook page and on the school website.

Ordering School Dinners

Can we politely remind parents/carers to get their school dinner orders organised by the end of Tuesday the week before they are required. This is to ensure we can order in the correct amount of food required. It is taking a long time to sort out lunch orders within school and we can't afford the man hours it is taking to resolve dinner issues. In future if the meals are not ordered correctly using the lunchshop system then children will still be provided with a meal but they may not get a choice. Can we also ask that you cancel your child's meal if they are off school for any reason as any meals not cancelled will still be charged for.

Reporting you child absent

Please can I remind all parents / carers that the correct way to contact the school to report a child absent is through the school official telephone number. If this is over the weekend, early morning or after school the answer phone will record a message and we will pick this up the next working day. Thank you for your cooperation. The school can also be emailed via the school email address which is office@moor-row.cumbria.sch.uk The headteacher email account is being decommissioned so please don't send messages via this email account.

Wheelchair Basket Ball

On Monday all children took part in a wheelchair basketball event. All of the children had a fantastic time and gave their upper body muscles a good work out. Photos will be uploaded to our school Facebook page soon.
