Open Afternoon – ‘Welcome Back’

On Friday 1st April we are planning to have an open afternoon for parents and carers to visit the school starting at 1.15 pm. We are all looking forward to welcoming visitors back into school to celebrate the hard work and achievements of the wonderful children here at Moor Row Primary School. This will be an informal event where parents can visit their children’s classrooms and view homework as well as to view class work and displays. As this will be the end of Science week there will also be a number of Science displays recently added to the school learning environment. Parents will be welcome to visit all classrooms within the school.

Once again, we will be having an Usbourne book stall in school during the afternoon with books available to purchase and take away on the day. Every book sold will go towards raising funds for school.

Once parents / carers have completed their visit you will be able to take your child home early – especially as it is the last day of term. We look forward to seeing as many of you as possible during the afternoon.
