

MOOR ROW SCHOOL NEWSLETTER

Friday 25th March 2022

‘Learning for Life’

Dear Parents / Carers,

Advance Notice – Wednesday 4th May

Due to staff training, afterschool club care will NOT be available on Wednesday 4th May.

Science week

Next week is Science week. We are looking forward to a week of practical science activities as well as visitors coming into school from local scientific based businesses. Atkins Global are visiting school to work with Yr. 1 / 2 and 3/ 4 on Thursday to work on the planet Mars – creating a creature. Mr. G Cartwright from Forth Engineering is working with both classes in KS2 on Wednesday. They are bringing a remote-control digger to bury a time capsule. Mr. J Bone from Sellafield will also be visiting KS2 to talk about his job role.

School Dinners – Price Increase

Please note that with effect from 1st April 2022, the price for a school dinner will increase to £2.65 per meal. This is as a result of a price increase being put through by our caterers. Thank you

School Uniform

Now that we are seeing some nice weather, some of the children are taking off their jumpers or cardigans at playtimes. Please can you make sure that your child's clothes are clearly labelled with their name on to make sure that your child only takes home their own jumper or cardigan! Thank you.

Bingo – Wednesday 30th March, Doors Open 5.30pm, Eyes Down 6pm

Remember we will be holding an Easter Bingo Fundraiser in the Moor Row Working Mens Club on Wednesday 30th March. Due to the restrictions of Covid-19 this will be our first public event where we have been able to mingle together. It will be a great opportunity for the whole community to join together. Please tell your friends and family within the village that they are warmly welcome to join in with the fun.

Tombola Prizes

There will be a tombola stall at the Bingo which is being organised and run by the school council. If you have anything that is looking for a new home or see anything in a shop which is looking for a home, our school council will gladly take these items off your hands and use them as tombola prizes!

Open Afternoon – ‘Welcome Back’

On Friday 1st April we are holding an open afternoon for parents and carers to visit the school starting at 1.15 pm. We are all looking forward to welcoming visitors back into school to celebrate the hard work and achievements of the wonderful children here at Moor Row Primary School. This will be an informal event where parents can visit their children’s classrooms and view homework as well as to view class work and displays. As this will be the end of Science week there will also be a number of Science displays recently added to the school learning environment. Parents will be welcome to visit all classrooms within the school. The school kitchen is putting on a taster session so visitors can taste some of the dinner options made available.

Once again, we will be having an Usbourne book stall in school during the afternoon with books available to purchase and take away on the day. Every book sold will go towards raising funds for school.

Once parents / carers have completed their visit you will be able to take your child home early – especially as it is the last day of term. We look forward to seeing as many of you as possible during the afternoon.

Contacting staff

All of the staff at Moor Row Primary School are highly committed to ensuring our children receive the best education possible allowing them to achieve their aspirations for later life. As the headteacher at Moor Row Primary School I am responsible for the wellbeing of everyone in the school including children and staff. As a staff we are approachable and have an open-door policy but can I please remind you to only contact staff about school matters through the formal avenues of school email and telephone. Can I also ask that this correspondence is only made during school time and not during the weekend or when staff members are off work sick. Thank you for your continued support on this matter.

Lunchboxes

Please find the link below useful for ideas for packing a healthy lunchbox for your children. We are seeing some foods in school which would not be classed as a healthy option. The benefits of school dinners are that they save parents time and also you know they have been researched and are nutritionally balanced.

<https://cumbria.gov.uk/elibrary/Content/Internet/537/17241/17243/43070133013.PDF>

Please also be aware that we are a nut free school and as such we ask that you don’t give your children Nutella sandwiches or other items of food containing nuts as we do have children in school with nut allergies. Thank you for your understanding.

We look forward to seeing a number of you at our events next week.

Mrs. J Beavis – Headteacher

Headteacher Awards

Congratulations to our winners of a Headteacher Award this week.

Deakon-Keving (EYFS)
Miley (Yr 1/2)
Tia (Yr 3/4)
Abbie (Yr 5/6)

Reader of the Week Awards

Congratulations to our winners of the Reader of the Week Awards this week.

Please try and read with your children every day whenever possible and talking about the books with them is just as important.

Happy Reading!!
