## Friday 5<sup>th</sup> November 2021

‘Learning for Life’

### **Netball Competition**

On Friday 22<sup>nd</sup> October some of our Yr. 6 went to represent the school in a netball competition at West Lakes Academy. This was the teams first competition and we are delighted to announce that they came 2<sup>nd</sup>. Well done to all children and staff involved.

### **Royal British Legion Poppy Appeal**

The school council is supporting this event this year. Each morning they visit the different classes with a variety poppy related merchandise. A price list for some of the products has been placed on the schools Facebook page. There are also the poppies which are available for a donation of your choice.

### **Parent Evening**

This term we will holding virtual parents’ evenings. All parents should have received information about this and how to book your time slot. If you need any further support with setting this up please contact the school office.

### **School Photos**

School photos are taking place on Monday and siblings in school will have their photos taken together as well as individually. If you have a sibling who is not in school and you want to have them included in a photo, please come to the main entrance at 8.30am and we take you through for photos. Masks will need to be worn at all times.

### **Covid-19**

Thank you for your continued support in relation to following guidelines recommended by Cumbria Public Health as well as the schools enhanced risk assessment. We have had a few cases in school in the week leading up to half term as well as this week. I report all new cases to Cumbria Public Health and this week I received a phone call to follow up our implementation of procedures to reduce the risk of spreading Covid within school. The lady I spoke to was very impressed with the enhanced measures we have put in place.

### **Sponsored Event**

Thank you for the sponsorship money which is coming into school. We will let you know the grand total raised once all money has been collected and counted.

### **Homework**

KS2 children should have received the new homework grids this week. The class teachers have explained the homework procedure to the children and have also added an explanation onto Showbie. We are hoping this will make the children more independent in their homework and a more enjoyable experience for everyone involved. We look forward to seeing the first pieces of homework coming into school. Please also encourage your children to continue reading.

### **Year 5 & 6 trip to Ennerdale – Tuesday 23<sup>rd</sup> November**

If there are any more voluntary contributions to come in for this trip, please could you send them in to Mrs Bone by the end of next week. Thank you

### **Young Voices Trip to Manchester – Years 3,4,5 & 6**

We have had a couple of questions about different aspects of the trip.

- Any siblings from EYFS or KS1 who are going to watch the concert can be collected from school after 1pm on the day of the concert and do not need to be in school until 12.30pm the following day.
- Unfortunately, we won't be able to offer any seats on the coach to parents/carers – anyone going to watch the concert will need to organise their own transport.
- All children will return to school on the coach and will need to be collected from school – it won't be possible for parents to collect children from the arena.

If you have any other questions about the trip please do get in touch.

### **Community Garden Project**

Work started on the project before half term with the removal of a tree. Unfortunately, due to the severe weather conditions over half term work was postponed. It is hoped that this will continue in the spring.

### **Tuck Shop Friday**

The school council are planning a weekly tuck shop on a Friday on the lead up to Christmas (sorry I have said the word!). This will be a charity event. We will let you know further information in next weeks newsletter.

Please have a safe and enjoyable Bonfire / Firework weekend.
