There have been a number of exciting trips and visitors in school this week which has really engaged the older children in their learning.

Chatterbox Club:

Chatterbox club is a reading club for KS2 which Mrs. McQuirk is running on a Thursday. Each half term we will receive a box of books based on a theme. Our first theme is Super Heroes. The children will get the opportunity to choose from a range of books based on this theme to take home. In the club itself there will be a range of activities organised around the box theme. Mrs McQuirk and I are really excited to have received the first box into school and it was used for the first time yesterday. A number of children expressed an interest in joining the club after the assembly so please check for availability if your child wants to book in or talk to Mrs. Bone or Mrs. McQuirk.

REACT Science Show:

The REACT Science show was an engaging science show on the theme of forces. I spoke to a number of children who all expressed how amazing it was.

'I loved it – especially the fun part with the frog.'

'The lady was really good at describing forces.'

'It was really good with different forces discussed and a variety of experiments.'

Dodgeball Competition:

On Monday 9 Year 4's represented the school at a Dodgeball competition. We are delighted to announce that out of 8 teams we were positioned 2nd. We are extremely pleased with the teams sportsmanship skills.

Special Monster Day Lunches 6th October:

All children who order a school dinner on Thursday 6th October will receive a raffle ticket with the opportunity to sit at a VIP table. There will be three winners. Each winner will be able to pick one friend to sit with them on the VIP table. We will have a table cloth, proper plates, some posh plastic glasses for them to have a drink of water etc, with their dinner being carried to their table by staff. So, remember you have to be in it to win it!

I hope you have a dry weekend.
