It has been a week of mixed emotions within school. The children have returned to school and fully embraced being back with their friends and staff. They have been focused and engaged in their learning. On Monday our whole school assembly focused on aspirations and ambitions for the future.

After the sad news yesterday of the passing of Queen Elizabeth II an assembly was held this morning to celebrate her life. We also watched Newsround which looked at the events yesterday and today at an age appropriate level. The children have been offered support and reminded to talk to adults if they are feeling emotional as I know talking about loss and death can remind them of family and pets that have passed. Please contact myself or class teachers if you feel that your child may need some further support.

PE – Earrings, Jewellery & Watches

Thank you for sending children in with appropriate PE kits for the start of term. Some of the younger children may benefit by developing their independent dressing skills at home. Please support them with this.

For safety reasons, children are not allowed to wear earrings, watches or any other kind of jewellery for PE lessons. Please will you make sure that your child can either remove their own earrings or alternatively remove them prior to your child coming to school on their PE day. Under Health and safety regulations children can not tape their earrings up – they must be removed.

PE Days for this half term will be as follows:

EYFS – Wednesday

Year 1 & 2 – Tuesday and Friday

Year 3 & 4 – Wednesday and Thursday

Year 5 & 6 – Tuesday and Thursday

Breakfast Club

Just a little reminder that breakfast club is available for all children from Nursery through to Year 6. Breakfast Club is from 7.45am to 8.45am and children will be given a choice of foods to eat and a drink. Please book via lunchshop. Places should be booked by 3pm the day before attending.

After School Clubs

A letter went out yesterday explaining the clubs available this half term. Please book in blocks as this allows for progression of skills and also ensures resources can be purchased as well as keeping workload to an appropriate level in the office. Any issues please contact either Mrs. Bone or myself.

Cool Milk

If your child is in reception class this September, they will still be eligible for free school milk until they reach the age of 5. Once your child turns 5, you will be able to order and pay for milk on the Cool Milk website. If your child is in Year 1 or above, you can also order milk for your child on the Cool Milk website. Go to www.coolmilk.com to register and order your child's milk.

Benefit Related Free School Meals and Clothing Vouchers

Free School Meals and Clothing Vouchers are available for all children (excluding nursery) who have parents/carers in receipt of certain benefits. For further information and details of how to apply, please visit <https://www.cumbria.gov.uk/childrenservices/schoolsandlearning/freeschoolmeals.asp>

EYFS need your help again!!

Mrs Grears and Mrs Bateman are continuing to revamp the Early Years playground area and would like to ask if you have any of the following items lying around that you no longer need, please can you donate them to us!

- Metal pots and pans for a music wall
- Baking trays
- Backing racks

- Drain pipe to make a water wall
- Plastic tubing
- Funnels
- Watering cans

- Shower curtains and hooks to make a stage

- Ribbon and materials to make a weaving wall

- Any buckets, spades, sand toys and bakeware for a mud kitchen.

Clothing

Please can you make sure that all clothes are clearly labelled with your child's name to ensure we can return items when lost.

I know many of the children are tired after full days back in school. I hope they get an opportunity to recharge their batteries over the weekend.
