overall attendance  
w/e 17.6.24

## Head teacher awards

*This week  
I'm proud to  
award.....*

**Year 5 & 6 – Jaydon:** For facing his fears

**Year 3 & 4 – Whole class:** Excellent behaviour and resilience whilst away on the school residential.

**Year 1 & 2 – Rossi:** For not giving up and showing resilience.

**EYFS – Evie:** Showing kindness to her friends .

## Head teacher's message

Dear Parents / Carers,

Sorry I missed sending out a newsletter on Friday as I was with the Year 3 / 4 team on their residential. The children made their parents and the school very proud with their excellent behaviour. There were some last minute tweaks to the activities we could do due to the weather forecast but the children were able to try rock climbing, canoeing in Whitehaven harbour, archery and river walking. They showed great resilience and perseverance in learning a number of new skills. Thank you to the Whitehaven Youth Harbour Project for all their assistance in running these fantastic activities.

Back at school there was plenty of extra activities for the children to support their learning. Pet Encounters visited with lots of animals for the children to meet. There was also a STEM Storytime which some children took part in as well as the whole school joining together for a Big Sing.

We look forward to sharing this weeks news with you on Friday.

Kind Regards  
Jacqui Beavis – Headteacher

## School messages, notices & reminders

### Star of the week badges

Please can we ask that everyone checks at home to see if they have any Star of the week badges. We have about 20 badges missing from our collection. By returning the badges – there will be no judgement, we will just be pleased to have them back. This will save us on needing to spend money on these items. Thank you in advance for your co-operation.

### Uniform, Hair styles, Jewellery & Nail Varnish

We are seeing an increase in the number of children not following the school uniform policy and this can have a detrimental affect on learning as well as having health and safety implications. I have highlighted the main concerns below but a full copy of our Uniform Policy is available on the school website.

- **Uniform:** – the main area of the uniform not being followed is that of P.E kit. Please ensure your child has a correct Moor Row P.E top and not a football shirt.
- **Jewellery:** Jewellery is not allowed to be worn in school due to Health & Safety. The only exception is small stud earrings but these must be removed during all PE lessons and activities. A watch may also be worn. We are seeing a number of bracelets / wrist bands coming into school and being worn – these need to be removed and not worn into school. If you wish your child to wear a small object with particular religious, cultural or medical significance, this will be considered by the Head teacher – please contact me.
- **Hairstyles:** **A number of haircuts are creeping into school which are on the verge of being identified as 'Extreme' hairstyles.** Please remember children should not have bright hair dyes, **shaved patterns** and Mohicans in school as these can cause distraction in class that is disruptive to learning. **The shaved patterns are the particular issue creeping into school at present.**
- We are getting a number of children attending school wearing make-up, temporary tattoos or nail varnish. This is not permitted and again this needs to be removed when the children are in school.

Thank you for your support on these matters to ensure that the focus at school is learning and that the children are as safe as possible.

### Studybugs

Please can I remind all parents that we are now communicating with home via the new APP Studybugs. If your child is off sick please report via the APP rather than leaving a voice message on the answer phone. Thank you for your cooperation.

**2 Month  
Calendar**
