## Head teacher's message

It has been another amazing week at Moor Row Primary School with lots of extra learning happening outside of the classroom. Year 1 and 2 visited the Beacon Museum and found out about the local area. They also admired the art work of Lowry as well as enjoying the experience of seeing their own work on display. This exhibition is open to the public – it would be lovely if all the children were able to see a real Lowry picture for themselves.

Year 3 and 4 virtually attended an award ceremony for their enterprise project 'Leafy Habitats'. Their certificate was awarded for having the most positive long-term impact. This will soon be on display in the entrance to the school.

Well done to Year 5 and 6 who braved the awful weather to learn about keeping themselves safe whilst riding their bikes. They took part in the Bikeability award. Today they received certificates and badges in assembly.

I hope you have an enjoyable weekend.

Kind Regards  
Jacqui Beavis
