Amazing knowledge of Morse Code.
Poppy
In Year 3 & 4
For making sensible choices.
Rosa
In Year 1 & 2
For hard work and good manners.
Woody
EYFS
For showing respect and listening.

Head teacher's message

Dear Parents / Carers,

We have had another busy week. We started the week with Neurodiversity day on Monday. EYFS have been planting pots within the EYFS area and today Year 5/6 took part in an RAF Stem challenge. They thoroughly enjoyed this. Thank you to all the volunteers who come into school to support with these extra curricular activities. If you would also like to volunteer within school please contact me via the school office. All adults will have to have a DBS check as part of our safeguarding policy.

Have an enjoyable weekend.

Kind Regards
Jacqui Beavis – Headteacher

School messages, notices & reminders

Neuro-Diversity Day

Thank you to Katy for coming into school on Monday and working with the children. The children and staff found the sessions very beneficial. Katy also provided the children with some free fidget resources. These are however not toys and will only be allowed in class if the children already have this recorded as a provisional need that supports their learning. Please encourage your child to keep these at home as they will be confiscated if disturbing learning.

Year 6 SATs week

Year 6 will be sitting their statutory end of KS2 SATs test WB 13th May 2024. The tests run from the Monday – Thursday inclusive. Please ensure the children are in school at the correct time – they do not need to arrive early. During the week the children will be provided with a breakfast from the school kitchen. We have some treats planned included bacon and sausage sandwiches, croissants and crumpets. All resources will be provided by the school. You can support your children at home by ensuring they are relaxed and well rested the weekend before the tests and also the evenings of the tests.

Uniform Policy/ Suitable hair styles & Naming clothes.

Thank you to everyone for ensuring your children have a suitable school coloured PE kit. If you are unsure of the requirements please see the uniform policy on the school website.

With the hot weather now approaching – hopefully! Please ensure that your child's clothes are all labelled. At the end of lunchtime we can end up with a large pile of unlabelled clothes which takes some time to sort. Also some never get back to the correct owner.

This is a polite reminder that as part of our uniform policy we will not allow the children to have extreme hair cuts / hair styles. This is because this can cause distraction in class that is disruptive to learning. There can also be health and safety implications. Thank you in advance for your support over this matter.

Summer Weather

We are hoping the weather will continue to improve over the next few weeks. We would appreciate your support in keeping the children safe when outside in the sunshine. Please ensure sun cream is applied before school. If reapplication is required please supply a small bottle of cream in your child's school bag. They will need to apply it themselves with some support from adults. Children will also need a sun hat and don't forget they can bring in water bottles to keep hydrated.
