## Head teacher's message

Advent is well and truly in place here at Moor Row Primary School. Each day brings a little more Christmas through the door.

EYFS and KS1 have been rehearsing for their Nativity in costumes, KS2 have been busy making props for their carol service and there has been a flurry of activity to complete Christmas art and craft activities to come home. A couple of the school council visited St. John church this week and decorated a Christmas tree with decorations made by the children across the school. Year 3 & 4 also visited the Warm Hub at Emmanuel Church. They sang songs and also shared information about their tree planting project. The whole school have taken part in our charity reindeer walk along the cycle path. We had a number of positive comments from members of the public about the children's manners and behaviour.

Next week also proves to be a busy week with the Nativity, Carol Service, Christmas dinner and the trip to Shrek for KS2. Please check the calendar at the end of this letter for dates and times.

Just to make you aware that there has been a positive case of Covid in school this week so please be vigilant to children's symptoms.

Have a joyful weekend.

Kind Regards  
Jacqui Beavis

- You can find a link to the [Eatwell Guide](#) here to print out and use at home.
