Head teacher's message

Welcome to our last newsletter of this half term. We have had a number of visitors in school this week supporting with the learning of children across the school.

Year 1 & 2 took part in a road safety drama activity led by Sarah from Pyjama Drama. We focused on: Zebra crossings, crossing near parked cars, traffic lights as well as lots of other safety tips. Please have a chat with your children at home to find out what they can remember.

Year 3 & 4 continued with their drumming lessons which are being kindly supported and funded by Emmanuel church.

EYFS have been taking part in their weekly move to write sessions which they are really enjoying.

We were also visited by Environmental Health this week and I am pleased to let you know that the kitchen retained their 5 * score. Well done ladies!

Today has also been Break The Rules Day – A fundraising event. There were a number of Teddy day care facilities in classrooms.

I hope you have an enjoyable half term break.

Kind Regards
Jacqui Beavis

PE KIT

After the Easter holidays it will be expected that all children will wear the correct PE kit in school, for lessons and sport related clubs. Black shorts / track suit bottoms, navy blue PE top and a school jumper. Post Covid it was accepted that children could wear any PE kit but now we need to move on and reinstate the correct PE kit. I would appreciate your support on this matter and the sooner we can get children in the correct kit the better.

A HEALTHY LUNCH

Parent Workshop:

On **Thursday 29th February** we are hosting Harriet from the Phunky Foods team to lead a parent workshop. Please book in your place and identify if child care is required. Mrs. Bone has sent out a link to this for you to sign up.

SCHOOL LUNCHES

We are getting a number of parents forgetting to book their children's lunches. This is taking up a lot of staff time when we should be concentrating on teaching and learning. After February half term if lunches are not booked by parents via SchoolHub your child will only receive a sandwich and piece of fruit for lunch.

CYBER SAFETY PARENT WORKSHOP

On **23rd May** a Cyber Dependent Crime Specialist will be leading a parent workshop to support you in keeping your children safe. Mrs. Bone will be sending out a link for you to book your place and childcare if required. Staff and children will also be taking part in sessions during the school day.

THE SCHOOL DAY

This is a reminder that the school gate / doors open at 8.40 am and close at 8.45 am. Any arrivals after 8.45 am will be recorded on the register as late.
