

PE and Sports Premium Plan 2021-22

Total fund allocated:	SP19 £ carried forward due to Covid / School Closure fully spent SP20 Sept 21 to August 2022 £10588.33 was carried over to this year – detailed in blue below - fully spent Sp21 to be used by 31.7.22: £16 550 now fully accounted for			
Key Indicator 1: The engagement of all pupils in regular physical activity.				Proportion of total allocation: £2594
Intent	Implementation		Impact	Sustainability and next steps
Pupils to access after-school sports clubs.	At least one sports activity to be available for each Key Stage every half term. Ensure good variety of activities. Encourage engagement from PP chn Keep attendance register for each activity.	Budget was for £1000 but none running due to covid	All pupils to access at least one high quality sporting club during the course of an academic year.	This will be carried over to next year.
Target pupils will take part in a Phunky Foods after school / breakfast club	All pupils to be offered a half term of Phunky Foods physical activity club. School is working closely with Harriet at Phunky Foods	FOC	Pupils are more active and this gives them the skills and confidence to take part in after school clubs and competitive sport.	Phunky foods to be taught in lessons so all pupils can access. To be done next year by HLTA trained in Phunky foods
To repair sports equipment to ensure it's safe for everyone to use		£494	Children have a wider choice of safe equipment	
Swimming sessions at Copeland pool. Year 5 and 6 catch up	Pupils provided with a block of 2 weeks swimming each instead of weekly as this a core life skill	£1500 + £600 = £2100	Pupils all gain more active time and are confident in water.	100% of year 6 children were able to swim 25 metres. We will take children again next year to ensure as many as possible meet the required 25m by the end of year 6

Key Indicator 2: The profile of PE and sport is raised across the school as a tool for whole-school improvement.				Proportion of total allocation: £9955.68
Intent	Implementation		Impact	Sustainability and next steps
PE and sport have high quality leadership in school.	Leader to be paid partly from sports budget for expert training and liaising with others	£9955.68 £5799.25 – Sept to March SP20 £4199.81 Apr – Aug SP21	Leadership impacts upon the quality of provision across the curriculum.	PE leader coordinates all sporting events, ensures equipment is available for the children and that a well structured curriculum is in place. Will continue next year.
To give less active children pedometers and encourage more physical activity.	Moki wristbands bought. They come with a scanner and app that records steps and level of exercise producing graphs and data to show impact	£645	Children encouraged to be more active	Children will be introduced to these from September and monitored.
Pupils have the opportunity to take a leadership role in PE and sport.	Play leaders identified and trained as ambassadors for sport. Deliver assembly. Create and carry out pupil questionnaire, feeding back to the SLT. Produce action plan for improvement and organise activities as appropriate. Resources are provided to support pupils with delivery.	FOC – in past was proper training offered by WLA – hope to set up again next academic year.	Pupils understand the importance of sport and physical activity and have their voices represented.	We have reintroduced play leaders for lunch time to ensure more active play times. A group of year 6s are doing this and it is very effective.
Promote competitive sport by introducing pupils to a successful athlete.	Hold an Olympian in school day	£300 – cost to be off set against sponsorship.	Pupils are inspired to engage with competitive sport.	To move to next academic year due to covid
Share more information about sporting opportunities and successes with parents and the local community.	Create new section for sport on the school website. Continue to update school Facebook page on a regular basis with upcoming events/achievements and sporting values. Ensure all sporting achievements are on the newsletter and reported to Whitehaven News. Sports notice board with upcoming events and achievements to be updated regularly.		All members of the school community appreciate the value of physical activity and are inspired to engage in more sport.	

Key Indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport.				Proportion of total allocation: £3235.61
Intent	Implementation		Impact	Sustainability and next steps
Teachers and support staff have the skills and confidence to teach	IPEP has been successfully introduced. This has a wealth of lesson plans and guidance on how to teach each area of the PE curriculum.	£450 IPEP Software Leadership time and staff meeting.	Teachers can deliver quality PE sessions which leads to pupils achieving higher standards.	
Teachers have the skills and confidence to lead competitive sport.	Staff training to be delivered by PE lead and local WLA liaison	Leadership time and staff meetings	Pupils have access to regular, quality intra and inter-school competitive sport.	
Teachers have the skills to teach judo	Janice Knight from Judo Knight to teach Y1 -6, half a term per class, alongside class teachers. Yoga – in process of booking her.	£595	Pupils are introduced to a variety of sports they wouldn't normally do.	
Teachers have the skills and confidence to teach cricket.	Coach from Cumbria Cricket to deliver coaching sessions to pupils alongside the class teachers.	£480	Teachers can deliver quality cricket coaching which leads to pupils achieving higher standards. Pupils are encouraged to engage with local cricket club.	
Teachers have the skills and confidence to teach yoga	Coach from Buddi Yoga Children to deliver coaching sessions to pupils alongside the class teachers.	£984.92 + £215.08 =£1200		

Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils.				Proportion of total allocation: £10867.01
Intent	Implementation		Impact	Sustainability and next steps
Pupils to be more active at playtime	Loose parts play trolley – they refill trolley termly and tailor to our demands.	£2450 trolley and £181.62 £42.05 storage	Pupils are involved in imaginative, interactive, active play.	
Invest in new playground equipment	Pupils have access to different active play equipment to encourage the active 60 minutes each day.	£5922	All pupils have increased knowledge of skills, rules and tactics in various competitive sports. Pupils have an increased confidence in various sports.	
Pupils to know the sporting opportunities that are available to them locally.	Bowls coaching and tournament at Egremont bowling club. Karate demonstration from local Karate Group School notice board display advertising local sports.		Pupils are more aware of local sporting opportunities and are encouraged to take this pathway.	Not possible at moment due to covid
PE equipment available and accessible	Sheds are needed to store outdoor PE equipment as there is no storage room and staff cant access what they need	£457.95 £527.55	Outdoor PE equipment is accessible and more PE is taking place outdoors	Keep observing to ensure PE equipment is being looked after and replace as required. Chm have a wider range of sports available.
Wheelchair basketball sessions led by world champion Nate Pattinson	All pupils have a chance to meet and be taught by Nate in a one day workshop	£230	Pupils are inspired by the fact that nothing needs to stop you being involved in sport.	Nate came in October 21 – booked again for 2022
To get new gymnastics mats to allow for better participation in gymnastics and dance.	We have a good line of gymnasts in school and Mrs Kennedy is a trained gymnastics instructor. We have entered many gymnastics competitions but the children struggle with the old mats we have – safety concerns as the mats slip.	Gym mats - £888 Spring board - £180	Children can practise much more safely and access more events.	
To take part in Udance and rock challenge style dance competitions	Mrs Kennedy and Mrs McQuirk are both dancers and have choreographed many routines. After school club and PE sessions used to practise.		Children get an experience of performance, working as a team	Nothing taking place due to covid

Pupils understand the value of relaxation and mindfulness in supporting their physical and mental health.	Implement Phunky Foods mindfulness that teaches relaxation and mindfulness. Teach pupils to recognise when they need to use the techniques taught.	Teaching Time	Pupils have the techniques needed to improve their emotional and mental well-being.	
Key Indicator 5: Increased participation in competitive sport.				Proportion of total allocation: £296.10
Intent	Implementation		Impact	Sustainability and next steps
West Lakes sports partnership provision	Pupils are provided with a full programme of competitions and festivals.	FOC this year – normally £500	An increase in pupils engaging in competitive sport and festivals.	events suspended due to covid
Inter schools netball competition	Inter school cluster competition – Y5 and 6	£205 includes cover for teacher		
All pupils to access competitive sport as part of the PE curriculum.	Add intra-school competitions to the end of each PE teaching unit where it is applicable.	Leadership time	All pupils engage in competitive sport and this gives them the skills and confidence to take part in further competitive sport.	Now classes can mix again this can be looked at for summer term
Make maximum use of the local sports events timetable.	PE and sport leader to work with teachers to identify opportunities for competitive sport throughout the academic year. Ensure that B and C teams are entered into events where possible.		An increase in the number of pupils who access extra-curricular competitive sport.	Suspended at the moment due to covid
Enter Key Steps Gymnastics Competition	We have a good history in this competition. It's part of school games but not WLA cluster so extra charge	£100	Children increase flexibility and core strength whilst learning to work as a team	Not possible due to covid
To host a school sports day competition – timers and medals	Children engage in competitive, friendly sport and parents are involved.	£91.10	Children learn that competitive sport can be fun, they learn to support each other through fitness.	
This plan is reviewed termly and adapted to take account of changing circumstances and additional opportunities.
