

PE and Sports Premium Plan 2023-24 updated & Reviewed.

Total fund allocated: £16 620 fully spent

Key Indicator 1: The engagement of all pupils in regular physical activity.

Proportion of total allocation:
£2697.33

Intent	Implementation		Impact	Sustainability and next steps
Pupils to continue to access after-school sports clubs.	<p>RITC club to run all year. They provide a variety of sports. This year we are doing cricket, multi-skills, golf</p> <p>PPG children have the opportunity to attend free of charge.</p>	<p>RITC - £950 Autumn term - £350 Spring term - £275 Summer term – £300</p> <p>Costs this year</p>	A number of pupils (atleast 20 pupils per club) are accessing this popular club which ensures high quality teaching of a range of different sports.	To continue to offer this club that introduces pupils to a range of different sports.
To ensure more able and SEND children are challenged accordingly	Subject leader to observe sessions to ensure plans are being used to include opportunities for SEND / more able chn. Adaptations for teaching are on all IPEP plans. All external coaches to be informed and ensure they plan for this also.	Leadership time / staff meetings	<p>Pupils are carefully grouped during PE sessions to ensure support and challenge provided. A range of resources have been purchased to ensure adaptation of resources. Fine motor and gross motor skills interventions introduced. Adult support for children who find group work challenging.</p> <p>Further opportunities for festivals and pupils involved in a range of sports.</p>	Reviewing and adapting the PE scheme. This scheme is being utilised by a number of local schools and will support monitoring and working in collaboration. This will also support sustainability as resources can be shared across schools. New plans have a particular focus on adaptive teaching.

To address decrease in stamina noted since covid	Ensure enough time is dedicated to PE sessions – full hour is given and children remain physically active during the sessions. Class teachers and PE lead to look at planning to ensure activities are physically demanding.		Pupils’ stamina has begun to improve through the 2 sessions of PE a week within the curriculum as well as the use of outdoor play equipment during lunchtime. Outdoor learning curriculum has also been supporting fitness as well as charity events such as the reindeer walk. Pupils will increase their stamina and fitness which improves mental health and readiness to learn.	To continue to protect 2 sessions of PE within the curriculum. To ensure outdoor learning supports pupils’ fitness. To continue to provide imaginative play equipment for lunchtime. Brilliant Cumbria Ambassadors to promote health and wellbeing. To introduce rebound equipment.
To achieve more active playtimes. Embedding the use of loose parts equipment	We are continuing with the loose parts playtime equipment to allow for more active playtimes. Staff to access training on loose parts play.	£450 – equipment top up £454 training session	Pupils will continue to increase stamina and use a variety of sensory equipment.	Loose parts to be embedded in lunchtimes and DT curriculum. Focused curriculum days around loose parts.
Swimming sessions at Copeland pool for year 3 and 4. Year 5/6 catch up if needed. We have 8 pupils who will need to go from Y5/6	Pupils provided with a block of 2 weeks swimming on consecutive days instead of weekly as this a core life skill and the pool feel its better taught in a block.	£868.33 catch up children costs	100 % of Year 6 pupils could swim 25 m when they left the school in July 2024.	To continue to offer swimming as part of the Year 3 / 4 curriculum. To ensure pupils in Year 5 / 6 who do not achieve the 25m standard also continue to attend swimming sessions.
Key Indicator 2: The profile of PE and sport is raised across the school as a tool for whole-school improvement.				Proportion of total allocation: £8500
Intent	Implementation		Impact	Sustainability and next steps
PE and sport have high quality leadership in school.	Leader to be paid partly from sports budget for expert training and liaising with others. PE lead to attend regular cluster meetings and coordinate the IPEP PE system.	£5000 – Sept – March taken so far £3500 March – Aug.	School attended cluster meetings and hockey festival held on school field.	New PE lead to join cluster meetings. To liaise with local school using the new PE planner.

<p>Pupils have the opportunity to develop their leadership role in PE and sport.</p>	<p>Play leaders identified and trained as ambassadors for sport. Deliver assembly. Create and carry out pupil questionnaire, feeding back to the SLT. Produce action plan for improvement and organise activities as appropriate. Resources are provided to support pupils with delivery.</p>	<p>Looking at training with sports lead for Copeland in summer term - FOC</p>	<p>Early impact as school joined Brilliant Cumbria after the scheme was launched. 24/25 will be the first whole academic year of involvement.</p>	<p>Brilliant Cumbria Ambassadors to become play leaders supporting fitness and wellbeing across the school.</p>
<p>Share more information about sporting opportunities and successes with parents and the local community.</p>	<p>Ensure the school Facebook page is updated on a regular basis with upcoming events/achievements and sporting values. Ensure all sporting achievements are on the newsletter and reported to Whitehaven News when appropriate.</p>		<p>All members of the school community appreciate the value of physical activity and are inspired to engage in more sport. Brilliant Cumbria on FB along with sport festivals and sports day. Residential with sporting links shared on FB – canoeing, archery, abseiling, orienteering. All staff now have access to FB page to make uploading easier.</p>	<p>To continue to promote and celebrate school involvement in sporting opportunities.</p>

Key Indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport.				Proportion of total allocation: £2462
Intent	Implementation		Impact	Sustainability and next steps
Teachers and support staff have the skills and confidence to teach high quality PE lessons.	IPEP has been successfully introduced. This has a wealth of lesson plans and guidance on how to teach each area of the PE curriculum. The subscription is to be renewed and staff given continual support from PE lead to use it.	£612 IPEP Software	Teachers delivered quality PE sessions which lead to pupils achieving higher standards.	After teacher feedback and cost implications it has been decided to change to PE planner. This incorporates self and peer assessment whilst keeping good quality lesson plans and guidance for staff. This scheme is also being utilised by more local schools which will aid monitoring and sharing of resources.
To help teachers promote a variety of different sports	Coach from Reds in the Community to come in and work with all classes one half term per term on a variety of different sports, starting with cricket, then multi skills and finally in the summer term - golf.	£1850 total Autumn term - £700 Spring term - £550 Summer term – £600	High quality coaching in place across the school as well as ensuring CPD for staff.	To continue with Workington Reds.
Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils.				Proportion of total allocation: £2110.99
Intent	Implementation		Impact	Sustainability and next steps
Children to learn a martial art – in this case judo	Janice Knight from Judo Knight to teach judo half a term per class, alongside class teachers.	£910 Autumn term - £385 Spring term - £280 Summer term due to her injury –	Pupils are introduced to a variety of sports they might not normally have access to. This has had an impact as some children have also joined the club outside of school.	To continue with martial arts as children access at different ages and can make progress within this sport.

		£245		
Archery Workshop	Independent adventure to come in and do a workshop with KS2	£490	Pupils were introduced to an adventurous sporting activity they haven't tried before. A pupil is now having regular archery lessons following this session.	To continue to offer our pupils a range of different sports.
To teach children TRI golf in PE lessons	RITC to introduce a new sport. Equipment needed to do this	£320.99	Children were introduced to a different type of outdoor game – new resources being utilised in PE lessons and after school club.	Sharing of resources with other schools.
To include PE in our Cumbrian curriculum fortnight to show children what other opportunities there are locally to increase physical activity.	PE lead to contact Cumberland Wrestling Association about Cumbrian Wrestling.	£50	Pupils had the opportunity to have a go at activities that they hadn't tried before such as Cumbrian wrestling. This was delivered by a couple of local Cumbria Wrestling Club. Some pupils showed an interest in attending a local club but the distance was unfortunately too far for them to travel on a regular basis.	To continue to promote and further develop links made with West Lakes School. This will ensure wrestling can become further embedded within the school curriculum through Brilliant Cumbria.
Invest in new playground line markings	Pupils have access to a measured-out track to encourage them to be more active. Mile a day, more active playtimes	To look into – possibly moved to next year	All pupils have increased knowledge of skills, rules and tactics in various competitive sports. Pupils have an increased confidence in various sports.	To be reviewed due to cost implications. Also on reflection may not be the highest priority.
Pupils to know the sporting opportunities that are available to them locally.	Bowls coaching and tournament at Egremont bowling club. links to judo club in community.	FOC	Pupils are more aware of local sporting opportunities and are encouraged to take this	Opportunities for pupils shared on FB for parents.

	School / village notice board display advertising local sports.		pathway. Taster sessions tried by a number of pupils at Brilliant Cumbria.	
Wheelchair basketball sessions led by world champion Nate Pattinson	All pupils have a chance to meet and be taught by Nate in a one- day workshop	£340 inc. after school session for staff.	Pupils are inspired by the fact that nothing needs to stop you being involved in sport.	Annual event to ensure pupils experience art different ages.
Key Indicator 5: Increased participation in competitive sport.				Proportion of total allocation:
				£763.44
Intent	Implementation		Impact	Sustainability and next steps
Inter schools competitions	Pupils are involved in friendly organised competition with other local schools in the WLA cluster Aut term – not possible due to staffing Spr term – Hockey Sum term – football	FOC	Festivals and events attended – offering pupils a variety of opportunities to enjoy a range of competitive sports with other schools.	New PE lead made contact with school games and Workington Reds. Entry already made for events for academic year.
To update PE equipment so it is safe and we have the correct items to allow a variety of sports safely.	PE lead to audit PE equipment and place order for anything we need updated and buy golf equipment.	Rugby tags - £27.50 Balls - £10.82 Sensory circuits - £42,27 Wobble boards - £41.45 Cargo net £24.99 Ladder £8.48 Light - £30.82 Balls and bibs - £145.95 storage boxes x 2 £33.25 and £34.17	Children are able to play with the correct equipment which increases skill level – no issues found.	Continue annual check as well as visual checks of equipment. Brilliant Cumbria children returned to school from Gala Day with ideas for equipment to purchase. This includes Rebound games. PE resources audited and tidied during INSET day so children and adults can safely access PE equipment. New resources purchased.

		total - £399.70		
All pupils to access competitive sport as part of the PE curriculum.	Add intra-school competitions to the end of each PE teaching unit where it is applicable. Discuss with RITC coach about KS2 and KS1 competitions in cricket and golf.	Leadership time	All pupils engage in competitive sport and this gives them the skills and confidence to take part in further competitive sport. This included sports day, interhouse football and events such as hockey festival.	To engage in inter school sport activities – Coastal Cluster & School Games.
To host a school sports day competition that is accessible for all children in school	Children engage in competitive, friendly sport and parents are involved. Getting School council and RITC involved.	£28.32 microphone Equipment and medals £185.45 Gazebos – £149.97 Total - £363.74	Children learn that competitive sport can be fun, they learn to support each other through fitness – this was achieved in football interhouse opportunities. .	Brilliant Cumbria Ambassadors to review.

This plan is reviewed termly and adapted to take account of changing circumstances and additional opportunities.
